Stop, Drop, and Roll Sequence

Setting: Small Group

Materials Needed:

- One stop, drop, and roll sheet per child
- Half sheet of construction paper cut hot-dog style
- Scissors
- Glue Stick

Directions:

Print one stop drop and roll sheet for each child in your small group. Students can color and cut the pictures out, then glue them in the correct order on the construction paper.

**Note: The pictures appear out of order on the next page so students will have to think about what order they should be in when glued to the paper.*
