# WHAT OTHER TEACHERS ARE SAYING...

“

These are so much fun  
and my class looks  
forward to using them  
during centers.

- Stacey J.

”

“

The children are so  
engaged in this  
simple activity, they  
really view it as play.

- Pam B.

“

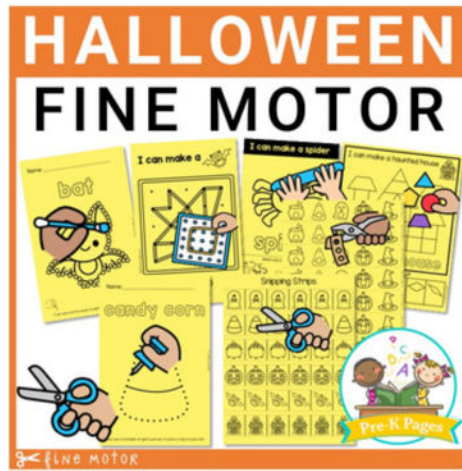

GREAT resource! I love that  
you put a thumb so the  
students know where to hold  
and start cutting. The variety  
of clipart images is perfect to  
use with our different themes  
throughout the year.
