

PLAN, DO, REVIEW CENTER CHOICE BOARDS

Build Independent Center Time

Visual center-planning supports that help young children make a plan, follow their choices, and reflect on their work.

PERFECT FOR PRESCHOOL, PRE-K, & TK

SMOOTHER, MORE INDEPENDENT Center Time

Young children often need more than a verbal reminder to decide where they will play and remember their choices.

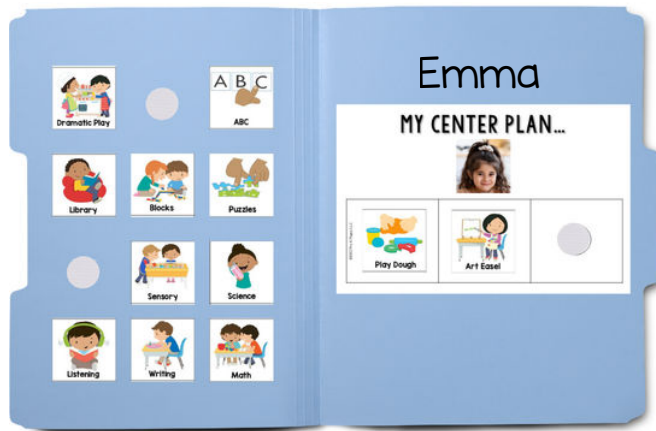

Plan, Do, Review gives them a simple visual routine:

- Plan where to work.
- Follow the plan during center time.
- Review what happened afterward.

Less wandering. Fewer teacher prompts. More purposeful choices.
